Donations welcome

With everything going on in the world today, a group of friends got together and came up with the idea of showing support and gratitude for our Public Safety Officers by giving them a Thanksgiving dinner.

While we are all at home with our families eating and enjoying ourselves, Police Officers and Firefighters are working to keep us safe.

This fundraiser is for Ecorse, Lincoln Park, and River Rouge Police and Fire Departments. All proceeds will go towards Thanksgiving dinner for these departments with any remaining funds going to the River Rouge

No Child Left Out on Christmas program.
